**Product-Information****SPRAYMAX****1. Product Description**

Spray Cleaner for quick and simple daily cleaning. Binds loose dust and cleans without leaving a residue. The flooring dries completely and can be walked on within a very short period of time.

**2. Areas of Application**

For laminate flooring (covered by standard EN 13329) as well as sealed and oiled/waxed wood and cork floors.

**3. Method of Application**

Adjust the pump-spray handle attachment of the bottle to the "spray jet" setting. Evenly spray floor cleaner onto the special SPRAYMAX Wiper Mop, without allowing this to become too wet. Then wipe over the floor with the damp mop to remove dust and fine particles of dirt. Clean the floor working in sections of a maximum of 5 square metres at a time. Rinse out the wiper mop upon completion of work or if it becomes very soiled during the cleaning operation.

**Note:** Before using the product, test the floor covering at an inconspicuous spot for material suitability. Do not inhale the spray.

**4. Technical Data**

pH-level: approx. 7.5 (concentrate)

**Data on ingredients** (EC recommendations: Contains preservatives. Other ingredients: solvents, perfume.

SPRAYMAX should be stored in a cool, dry place in its closed original container. Keep locked up and out of the reach of children.

**5. Unit Sizes**

1 l with pump-spray handle attachment

Art.-No. 1140000150
